In Attendance: Bruce Cilley, Donna Carter, Mike Del Sesto, Glenn Greenwood, Janet Bunnell and Bob Solomon

Meeting called at 5:30pm at Sawyer Park on Trudelbed Road

Public Forum: Dorothy Dibona, Pickleball Ambassador, detailed the grant moneys she had applied for for pickleball equipment and portable nets. Much discussion was had regarding the intent of the Trustees to establish two pickleball courts where the skateboard facilities have been. Since our process is in the beginning stages the grant funds will be returned and perhaps reapplied for at a later date.

Billie Tooley of One Sky came to the meeting to discuss particular aspects regarding their rental of the facility. Questions included table placement, additional garbage cans, whether additional portapotties were required, number of participants, police detail and overflow parking arrangements. Additional coordination with the Police Department would take place and One Sky would decide if they needed more portapotties.

Review of Minutes A motion to approve the May meeting minutes made by Del Sesto and seconded by Cilley. Passed with Greenwood abstaining.
